EXHIBIT NO.10

SITE

A photograph of a residential street scene. In the foreground, a silver SUV is parked on the right side of the road, and a white sedan is parked on the left. Behind them, a two-story house with a grey and red brick facade and a white porch is visible. To the left of the house, there is a red brick building and a stop sign. The word "SITE" is written in large, bold, black letters on a white rectangular background, which is positioned over the middle of the image, partially obscuring the house and the street. The sky is clear and blue, and there are bare trees in the background.
